

Doctrinal Statement

*AF is a mission agency that seeks to extend the kingdom of God throughout the world especially in the areas that are least reached or unreached with the gospel.

We believe:

- The Bible, which is verbally and plenary inspired by the Holy Spirit, inerrant, infallible and authoritative Word of God.
- The Holy Trinity of Father, Son and Holy Spirit are the three manifestations of the one true God.
- In the fallen and lost state of man, whose total depravity makes necessary the new birth.
- In the deity of Jesus Christ, His virgin birth, sinless life, death, bodily resurrection, present exaltation at Gods right hand with His personal and imminent return.
- In the atonement by the substitutionary death and shed blood of the Lord Jesus Christ.
- In the Resurrection of the saved unto everlasting life and blessedness in Heaven, the resurrection of the unsaved unto everlasting punishment in Hell.
- The Church, the Body or Bride of Christ, consisting only of those who are born again, for whom He now makes intercession in Heaven and for whom He shall come again.
- In the sanctification of the believers by the Holy Spirit through faith and the Word.
- Marriage is between a man and a woman.
- Christ's command is to make disciples of all nations.

Introduction

The very purpose of The Liele Company (hereto referred as TLC) is to provide a monthly mentoring group for African American missionaries (or missionaries of the African descent living in or originally from America). TLC aims strategically to provide those who are preparing for long-term missions (raising support with a target date of leaving in less than a year) as well as those who still new to the mission field with mentorship with other African American missionaries who have five or more years of long-term field experience.

"The things which you have heard from me in the presence of many witnesses, entrust these to faithful men who will be able to teach others also." **2 Timothy 2:2**

The Road To Success

The overarching goal of TLC is three-fold:

1. Increase retention of African American missionaries on the field through intentional mentoring that meets the needs of the unique challenges that African American missionaries face.
2. Develop a support network where the African American missionaries can:
 - be mentored
 - share with one another
 - pray for one another

3. Create unity among the African American missionary community that creates a platform for God to bring in a harvest of a larger number of African American missionaries.

George Liele

TLC is named in honor of George Liele who was the first American missionary and first African American missionary. TLC is building on the rich legacy that exists in African Americans in missions despite enormous obstacles.

George Liele was born a slave and through his life and ministry launched a mission movement that reached from Georgia to Jamaica to Sierra Leone and to Nova Scotia. George was himself a mentor, a church & school founder, an abolitionist, master negotiator and organizer.
